Lockers of Love and Learning

Donated by Impact On Education, Leslie Whiteside

Over generations of learners, educators, and communities there have been believers...people who believed in us so that we could succeed. Tonight, you have an opportunity to remember what makes believers out of each of us. Early in our lives someone took the time to get to know us. Someone took the time to believe in us and to support us. Lockers of Love and Learning are packed full of nostalgic and modern ways to connect with the young people in your life; the young minds that you will inspire to go on and make an indelible impression on the world. This is your chance to leave a legacy as you take the best of the past and the best of the present to reach out to children who will shape an unknown future.

IMPACT IN EDUCATION

The Paddle Raiser

The Paddle Raiser benefits the Impact on Education Opportunity Fund!

In today's economic climate, Boulder Valley school Principals & Teachers rely on the **Opportunity Fund** to ensure that all students have access to all academic, extracurricular, & enrichment opportunities. The fund offsets the costs for students in need of economic assistance to participate in these programs.

Your donation this evening to the Impact Opportunity Fund will help **impact** over 8,500 students throughout the Boulder Valley School District in 2011-2012.

Please consider making a generous donation to this worthy fund.

"This year, one student & family that was new to Heatherwood didn't return a field trip form - the family said the form never came home & the child said he lost the form. The teacher found out that the family was too embarrassed to acknowledge that they didn't have the money to pay for the trip. The Heatherwood Opportunity Fund from Impact on Education was there to pay for this child's field trip cost."

-Larry Orobona, Heatherwood Elementary

"...through this funding, our students are able to afford sports physicals, required sports equipment, & participate in middle school sports ...thus giving them the chance to try out & make teams in high school..."

-Robbyn Fernandez, Manhattan Middle

"It is important that our students see the power of service learning & in receiving the support they also must learn what it means to reciprocate. We purchased supplies so that our students could perform a Japanese intercultural Kabuki play. We used Impact Opportunity Funds to pay bus fees to get to the Samaritan House in Denver where our students performed the play for homeless children & their families."

-Doris Candelarie, Sanchez Elementary
